Introduced by Assembly Member Eng

February 27, 2009

An act relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 1515, as introduced, Eng. Vehicles: traffic violator schools.

Existing law establishes licensing requirements for traffic violator schools, as specified, and authorizes a court, in lieu of adjudicating a traffic offense committed by a person holding one of specified types of driver's licenses, and with the consent of the defendant, to order the person to attend a licensed traffic violator school, licensed driving school, or other court-approved program of driving instruction.

This bill would state the Legislature's intent to enact legislation to consolidate existing licensing programs to incorporate court-approved home study programs under the same structure as existing traffic violator school programs.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. The Legislature intends to enact legislation to
